Demographics

We asked a few questions about demographics in the online application's "Profile" section. The "Profile" section is set by the online application provider and is not customizable, so we have a few more questions about demographics that we're asking here.

CCI is committed to distributing resources equally, equitably, and fairly in ways that reflect the diversity of application pools and populations. To that end, we ask you to fill out demographic data so we better understand the communities we are trying to serve. The information requested below is CONFIDENTIAL and will be used for internal purposes only. As such, the information you provide may be used in summary statistics, but will not be used in reviewing your application.
