WORK SAMPLES

• The work sample is a critical part of the application and should represent your artistic work in the best possible light.

• A minimum of one, and no more than three, work samples are required. Samples may include audio, video, or written manuscripts.

• Panelists will review up to FIVE (5) minutes total. Keep this in mind when selecting samples that are lengthy. You may opt to cue your sample to a specific starting point or to edit it. If you are submitting more than one type of work sample, then you cannot submit the recommended total for each type. For example: you can submit 2 minutes of audio and 3 minutes of video but NOT 5 minutes of audio and 5 minutes of video.

• Select examples of recent work and avoid samples that have poor visibility or audio quality.
