QUICK GRANT APPLICATION

Effective June 16, 2023, the Quick Grant program will no longer distribute awarded funds on a reimbursement basis. Instead, approved grantees will now receive their awarded funds upon signing and returning their grant agreement, and providing any required information, if applicable (e.g., for awards of \$600 or more, grantees must complete the provided Form W-9). In addition, applications will now be accepted only through Submittable, CCI's online grants platform.

The Quick Grant program awards professional development funds to San Francisco and San José nonprofit arts organization staff and California artists, creatives, cultural practitioners, and cultural producers to enroll in workshops, attend conferences, and work with consultants, coaches, and mentors in order to build administrative capacity, hone business skills, and strengthen the financial resilience of an organization, artistic practice, or area of cultural production.

Individual artists, creatives, cultural practitioners, cultural producers, and arts organization staff may apply to the Quick Grant program if they meet the eligibility criteria outlined in the Quick Grant Guidelines. **Eligibility criteria may vary slightly by region. Before applying, please review the Quick Grant Guidelines and Frequently Asked Questions [here](#).**
