Quick Grant Program
Guidelines
(effective April 17, 2020)

PURPOSE
The Quick Grant program provides professional development funds to San Francisco Bay Area arts organizations and artists, creatives, cultural practitioners, and cultural producers in the state of California to enroll in workshops, attend conferences, and work with consultants, coaches, and mentors in order to build administrative capacity, hone business skills, and strengthen the economic sustainability of an organization, arts practice, or area of cultural production.

AWARDS
Artists, creatives, cultural practitioners, and cultural producers meeting eligibility requirements may receive one annual award of up to $600 in reimbursement funding to participate in approved professional development activities.

Nonprofit arts organization staff members meeting eligibility requirements may receive one annual award of up to $600 each in reimbursement funding to participate in approved professional development activities. Up to two individual staff members may apply per organization per year, including staff, board, or key volunteers.

ELIGIBILITY
The Quick Grant program is supported by a joint consortium of California arts funders. Eligibility criteria may therefore vary slightly by region. Artists, creatives, cultural practitioners, cultural producers, and nonprofit arts organizations may apply if they meet the eligibility criteria for any of the Quick Grant program’s funding partners as follows:

Artists, Creatives, Cultural Practitioners, & Cultural Producers
- Artists, creatives, cultural practitioners, and cultural producers living in the state of California (demonstrated by resume); and/or
- Current San Francisco Arts Commission individual grantees; and/or
- Individuals who have applied to the California Community Foundation Visual Arts Fellowship since July 2012 but have not received a fellowship, with a preference for applicants of color and/or applicants from Antelope Valley, Pomona, San Fernando Valley, Southeast LA, and Long Beach.

Nonprofit Arts Organizations
- Staff at a nonprofit arts organization in the city of San Francisco or the city of San José;
and/or
● Staff of a current Grants for the Arts (GFTA) organizational grantee receiving operational (includes Arts & Parades) and/or Voluntary Arts Contribution Fund support.

ELIGIBLE COSTS
Funding may be used to reimburse part or all of the following expenses after Quick Grant approval:
● Travel and hotel expenses, if the workshop, festival, or conference occurs outside a 60-mile radius of applicant’s primary address
● Registration fees for conferences, festivals, workshops, and trainings
● Fees to engage a facilitator, executive coach, mentor, career counselor or other consultant, in order to build administrative and business skills* (See note(s) below)

Ineligible expenses include:
● Activities focused primarily on creative or artistic skill development or art teaching methods/techniques (please see the online Quick Grant FAQs for more information)
● Funding to offset applicant’s regular salary or wages or fees for temporary/contract employees
● Funding to offset general operating expenses
● Capacity building activities proposed by artists, creatives, cultural practitioners, or cultural producers to support the operations of a nonprofit organization or a role in arts administration, and vice versa, capacity building activities proposed by organizational staff to support an individual art or cultural practice (please see the online Quick Grant FAQs for more information)
● Activities that begin less than one month after the nearest application deadline (applications are due on the 15th of each month). For example, if you apply by the May 15 deadline—between April 16 and May 15—the activity cannot begin until after June 15.
● Funding to offset fees associated with college tuition or for college credit activities

Grant requests will be awarded on a competitive basis, as long as funds are available for a given month. While not required, priority will be given to applicants who:
● Have not already received support through the Quick Grant program
● Have budgets of $500,000 or less, in the case of organizations

*Note: All applicants may request to work with a technical consultant to support the acquisition of the skills necessary to bring their practice or programming online. In order for a proposed activity to be competitive, it must be made clear that the applicant will be actively engaged in enhanced learning or receiving portable skills. Examples include live webinar training, website development, SEO-optimization, and digital sale strategies.

Please be advised that activities wherein the applicant is proposing sub-contract work (e.g. hiring someone to moderate a webinar series, design a website on the applicant's behalf, or facilitate online sales) will not be competitive. In other words, proposed activities MUST have an educational benefit or result in skill acquisition.
**Note: In the wake of COVID-19, Los Angeles applicants who propose an activity to work with a consultant, coach, or mentor around a learning topic that supports administrative and/or business skill-building, are now eligible and competitive for Quick Grant funding until further notice.**

*Note regarding Los Angeles County applicants: As of May 16, 2019, Los Angeles County applicants may request to work with a consultant, coach, or mentor around a learning topic that supports administrative and/or business skill-building, and should make a case for how this learning cannot be attained in any other way. Funding for these types of requests is very limited however, and priority will go to applicants seeking to attend public workshops, trainings, conferences, or festivals.*
